July, 20th 2015

DAYTONA, F.L. Saturday's Sprint Race marked the return of the BSB to Brands Hatch where James 'The Rocket' Rispoli secured an additional twenty-six Motorpoint British Supersport Championship points.

Keith Flint's Team Traction Control stole the show as Rispoli and teammate Andy Reid battled for the podium. Although the third place finish was just out of reach for Rispoli, his two consecutive fourth place finishes launched 'The Rocket' into the top five of the Championship, leading the way for Team Traction Control.

Rispoli maintained his strong qualifying position in row two, with a best lap time of 1:28.639.

With six rounds down and six rounds remaining, only time will tell if the young American will continue to push higher into the championship rankings.
